**PlayExplorers**  
BY PLAYWORLD

Play might be the most basic  
of **childhood** activities.

It's universal across all cultures. It doesn't need to be taught. Only encouraged. It lasts a lifetime and has a profound effect on the adults our children will one day be.

That's why we're excited to  
**partner** with you to bring play  
to Alabama's pre-k students.

Our PlayExplorers line of play solutions is specifically designed for infants to preschoolers.

An opportunity to delight, develop and discover the world on their own terms, and in their own way, through play.

# Let's get started.

In collaboration with the Alabama State Department of Children's Affairs, Office of School Readiness, First Class Pre-K, we are pleased to provide play solutions for grant recipients.

Taking advantage of this offer is easy. You can purchase items as shown, or Jeff Wingo (our local sales agent) will work with you, one-on-one, to create a custom playspace, unique to your specific site and your individual requirements.

We encourage you to work with your regional managers, coaches and monitors to maximize your grant dollars and to comply with any applicable standards.

We are committed to providing meaningful, innovative, and creative PLAY solutions for the children of Alabama.

## We stand behind our products with a **hassle-free limited warranty.**

We guarantee our products to be free from structural failure due to defect in materials or workmanship during normal use and installation. See warranty terms, conditions, and limitations at [www.playworld.com/warranties](http://www.playworld.com/warranties).

If you discover a defect during a valid warranty period, we'll replace the item in question. Simple.

## Built so they can play **hard.**

And so will their kids. And the kids after them. Our equipment is built for endurance. From structural integrity to super-durable finishes, it's all built to last.

## The earth is **play friendly.** So we're returning the favor.

Playworld is the only playground manufacturer to take aggressive action to eliminate PVC. This allows most of our products to be Cradle to Cradle Certified™ Bronze.

## We keep play **colorful.**

We offer a spectrum of colors that allows you to personalize and reflect your community pride and boost school spirit.

- Fitness & playground equipment built to last with premium materials
- Healthy play and fitness is designed into every piece of equipment we build
- Best ownership experience with our exclusive PlayPod™, live customer support, fast delivery, and more
- Authentic sustainable practices create play equipment you will feel good about in your community
- We're industry leaders in inclusive playground design

# We know play.

- Dedicated in-field representatives in Alabama, Georgia, North Carolina, South Carolina and Tennessee
- Design team certified by the National Playground Safety Institute
- Local, professional, customer service department
- Provider of IPEMA-certified products
